

4moms® mamaRoo® multi-motion baby swing®

The MamaRoo® Multi-Motion Baby Swing® is the only swing that moves like you do. Inspired by you, our motions mimic parents' natural rhythms and movements to become the most familiar space to safely put your baby down when they can't be in your arms. The MamaRoo gives parents a hands-free moment while baby comfortably watches and explores the world around them.

With five motions, five speeds, and four sounds, you can tailor each ride, so your baby is entertained and content, whatever their mood.

FEATURES

Patented Motion Technology & Design

Motion control software and a dual-axis coordinated motion platform mimic the same up-and-down, and side-to-side motions of a parent comforting their baby. The new MamaRoo has an updated touch-sensitive control panel and sleek design.

Five Unique Motions

It bounces up and down and sways from side to side, just like parents do.

Find Your Roo App Feature

The new 'Find Your Roo' app experience guides parents to find the MamaRoo motion closest to their own natural movements – taking the guess work out of creating a seamless transition from arms to swing. Currently in a beta phase, parents can 'comfort' their phone – moving how they naturally would to keep their baby happy – and receive Roo motion recommendations closest to their own.

Wi-Fi Smart Home Integration

Voice control with Amazon Alexa allow the MamaRoo to seamlessly integrate into homes and offer a truly adaptable, hands-free soothing solution. Google Home coming soon!

Convertible Harness

Convert the 3-point harness to a 5-point harness when baby begins to sit up on their own for extended use.

Built-In Sounds

Choose from four fun and entertaining sounds, or stream baby's favorite music directly from your phone.

Interactive Toy Balls

Keep baby's attention with the sound of the crinkle ball, rattle, or reflective mirror ball.

Seat Recline

Adjustable to any position along its axis.

Five Speeds

Adjustable speed to adapt to baby's changing preferences.

Weight Restriction

Up to 25 pounds or until the child attempts to climb out (approx. 9 months), whichever comes first.

Retail Price

\$269.99 (Classic Grey or Black)

**Newborn inserts are available to provide additional comfort and support if preferred. (Sold separately)*
